# Sherwood Band Program
# Sponsorship Opportunities

## Join Us in Supporting One of Oregon's Top Band Programs

When you sponsor Sherwood Bands and Color Guard, your business gains valuable public exposure while supporting one of the most accomplished programs in our public school system.

Our program is made possible through the generosity of sponsors like you. Last school year alone, the band supported over 400 middle and high school students across 19 performing groups and participated in more than 90 performances, competitions, and community events.

Beyond music, the program fosters leadership and personal development. Research consistently shows that students involved in music perform better academically, have higher graduation rates, and are more likely to volunteer as adults. Many of our alumni go on to become leaders, educators, and engaged citizens in their communities.

Our sponsorship opportunities continue to expand, offering even greater visibility for your business and helping provide high-quality music education for students across our community.

Our mission is to deliver the best music education possible and provide opportunities to travel, compete regionally and nationally, and learn from the most talented musicians in the country. We invite you to partner with us in creating lasting memories and life-changing experiences for students in the Sherwood community.

**Your support is greatly appreciated. Thank you.**
